A LIMITED SUPPLY OF REPRINTS AVAILABLE — SEND 10 CENTS TO COVER MAILING CHARGES.

"Torpedoes Away!"

As our truly great Naval teams score tremendous gains in all theaters, we watch with just pride the outstanding performance of these little-but-lethal Herreshoff-built Motor Torpedo Boats (PTs).

We plan, when the final whistle blows, to combine this wartime experience with our 80 years of Herreshoff craftsmanship in building fine pleasure craft for yachtsmen, young and old.
